My Fellow Cats,

As I start this second term as president elect of the Cathedral School Alumni Association, I have appointed a new Chairman of the Education Foundation.

First of all, would like to thank Mr. Robert Schwarz for over 20 years of service to the organization. Mr. Schwarz has served as chairman of the Educational foundation for over 20 years and was instrumental in helping start this organization. I want to personally thank him for all he has done for the CSAA, CSEF and Cathedral Catholic School. Mr. Schwarz has decline my request to remain on the board in a transitional role until August, and I respect his decision to not remain on the board as an advisor. Once again, thank you to Mr. Schwarz for his service and dedication to our beloved organization.

Effective immediately Thelma Crusoe-Holmes will assume the position of Chairwoman of the Cathedral School Educational Foundation. She has been an active member of the CSAA and is currently the President of the Zodiac class of 1984. Thelma has been active in the Ga chapter, currently serving as Vice President; GA representative for CSEF and National Boards.

As you all prepare for the holiday season, I would like you to be reminded of why we are part of this organization. Our purpose is to help our beloved Cathedral School and our country Liberia as a whole.

I wish you and your family a happy and safe holidays.

Warmest Regards,

Agatha Joseph

CSAA National President
